Subject: Invitation to the XXIV Meeting and Conference of the CAR/SAM Regional Bird Strike and Wildlife Hazard Prevention Committee, CARSAMPAF-24.

I am honored to address you, your administration, company, or organization on behalf of the CAR/SAM Regional Bird Strike and Wildlife Hazard Prevention Committee (CARSAMPAF); and invite you to participate in the XXIV CARSAMPAF Meeting and Conference. This year the Meeting and Conference will be held in San Salvador, El Salvador from October 20 to 23, 2026. The event will take place at the Multipurpose Hall (SUM), Civil Aviation Authority, located at kilometer 9.5 on the Pan-American Highway - adjacent to the San Bartolo Free Zone, Ilopango, El Salvador. Notably, the sessions are supported by the Civil Aviation Authority (CAA), El Salvador with the institutional backing of the International Civil Aviation Organization (ICAO).

Within the framework of this year's conference, the **CARSAMPAF General Assembly** is being held to elect members of the new Board of Directors and Technical Support Group, as well as to update the internal operational documents. Kindly note that final confirmation of the date and time of the General Assembly will be sent directly to those meeting the eligibility criteria. Furthermore, please be advised that: one (1) CAA representative from each participating State, one (1) delegate from each organization, and individuals - all with CARSAMPAF membership is in good standing - are invited to attend. For additional information, please contact: secretaria@comitecarsampaf.com.

The XXIV CARSAMPAF Meeting and Conference also aims to facilitate the participation of representatives from Civil Aviation Authorities, public and private aerodrome operators, airlines, ACI-LAC, IFALPA, IATA, service providers, experts in wildlife risk management at airports from various parts of the world. Accordingly, the central theme of this Conference will be ***“Regulation and Certification: Wildlife Management Challenges for States and Aerodromes.”***

The working languages of the Conference will be **English and Spanish**; and real-time translation services will be provided throughout the event. Due to limited seating, we hereby request that the
